Art Unit: 1714

The amendment received January 22, 2004 has been made of record. Claims 14-30 are pending.

Claims 14, 16, 18 and 20 are rejected under 35 U.S.C. 102(b) as being anticipated by Crompton.

This rejection is maintained substantially as set forth in the previous office action. Applicants arguments in traversal of this rejection focus on the newly added limitation to 20-90% of a high temperature resistant filler. The disclosure of the reference at column 3, line 60 to column 4, line 31 and claim 15 is seen as meeting this limitation.

Claims 15, 17 and 19 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Edward J. Cain whose telephone number is (571) 272-1118. The examiner can normally be reached on M-F from 10:00 to 6:00.
